Gentanala

Memadukan Warisan dan Inovasi

Gentanala adalah brand aksesoris fashion asal Indonesia yang memadukan keahlian tangan tradisional dengan desain modern. Sejak berdiri di akhir tahun 2020, kami berkomitmen menghadirkan produk berkualitas tinggi seperti jam tangan kayu, card holder, dan casing ponsel yang dibuat dari kombinasi kayu daur ulang dan resin. Setiap produk Gentanala tak hanya berfungsi sebagai aksesoris harian, tapi juga mencerminkan gaya hidup modern masyarakat urban yang menghargai keunikan, cerita di balik produk, dan estetika yang berkelas.

Kelebihan Kami

- Material Berkualitas dan Ramah Lingkungan
- Menggunakan kayu daur ulang dan resin, setiap produk memiliki motif dan karakteristik unik, menjadikannya indah sekaligus berkelanjutan.
- Desain Eksklusif dan Detail
- Dirancang dengan perhatian tinggi pada detail, kami memadukan sentuhan seni dengan gaya modern sehingga cocok digunakan di berbagai momen.
- Proses Produksi Terintegrasi
- Menggabungkan keahlian tangan para pengrajin lokal dengan presisi mesin modern. Proses ini memungkinkan peningkatan kapasitas produksi tanpa mengorbankan kualitas.

Gentanala x Lindungi Hutan represents a collaboration that merges environmental awareness with design innovation. This partnership allows Gentanala to offer fashion items crafted from recycled wood and resin, with each purchase contributing to forest conservation initiatives in Indonesia. Each timepiece and accessory created in this collaboration not only represents a commitment to a sustainable lifestyle but also embodies a genuine dedication to conserving nature. This partnership encourages consumers to engage in initiatives aimed at safeguarding forests while appreciating products that are both practical and artistically refined.
