About Us

In this era sometimes people dont even have time to eat. We are too excited to catch our dream, work and work. So we give you solution, you dont have to worry for when or where. With box.in you can eat anytime and anywhere you want. We packed the food and the magic inside th box and send it right to you. We always try our best to keep the exelence of our food reach you, so you can keep your dream catch activities right away after you eat.

Vision

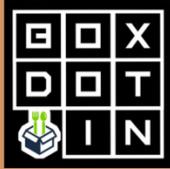

To become the innovative market leader in box-based fast-casual dining, recognized for the consistent quality of our finest ingredients at affordable prices. Boxin is committed to creating a unique culinary experience, especially through our signature product, Pasta in Box, by harmonizing classic Italian flavors with the richness of local Indonesian culinary elements (such as Rendang Spaghetti, Ayam Geprek, or Sambal Matah), to be the best and primary choice in every customer's meal box

Mission

Boxdotin's mission is to revolutionize the dining experience by providing high-quality, delicious food packaged for ultimate convenience. We are committed to serving select, flavorful dishes (delicacy) with effortless ordering, ensuring every customer enjoys the best, easiest, and most guaranteed culinary experience.
